

White Pope Benedict XVI

The Reformation Online—the most timely site on the Internet— predicted that the next White Pope would be a Portuguese or [Spanish Inquisition Pope](#). However, we feel that we have *jumped the gun* and that God in His mercy has slowed down the Portuguese and Spanish Inquisition in the U.S.

In the wonderful story of the Exodus from [Egyptian](#) bondage, JEHOVAH sent His MECHANIC and took off the wheels of the Egyptian chariots in order to slow them down and give his people TIME to cross the Red sea:

"And it came to pass, that in the morning watch the LORD looked unto the host of the Egyptians through the pillar of fire and of the cloud, and troubled the host of the Egyptians, And took off their chariot wheels, that they drave them heavily: so that the Egyptians said, Let us flee from the face of Israel; for the LORD fighteth for them against the Egyptians" (Exodus 14:24-25).

A Portuguese or Spanish Inquisition Pope is *still* just over the horizon and has been planned for hundreds of years.

Pope Benedict XVI (1927---).

Cardinal Joseph Ratzinger from Munich, Germany was "elected" White Pope on April 19, 2005. This was the day before Hitler's birthday on APRIL 20.

Germany is the homeland of [Saint Martin Luther](#) and is the birthplace of the blessed Reformation.

No greater insult could the Jesuit General give to the blessed memory of Saint Martin than to "elect" a White Pope from Germany.

Saint Martin is up in Heaven looking down on the attempts of poor pathetic men to turn back the clock to the Dark Ages before Oct. 31, 1517.

German Black Pope Franz Xavier Wernz was mastermind behind World War I

World War I was planned by German Black Pope [Franz Xavier Wernz](#): When he died in 1914, he was replaced by a POLIISH Black Pope named [Wlodimir Ledochowski](#) who engineered the rise of Adolf Hitler.

Franz Xavier Wernz (General from 1906-1914).

During the event leading up to World War I, Black Pope [Franz Xavier Wernz](#) was the Jesuit General. He planned the war with at least 3 major objectives:

- 1—Undo the blessed Reformation of Saint Martin Luther.
- 2— Destruction of Orthodox Russia.
- 3— Restore the lost Papal States to the Pope.

The Kaiser was told that he was doing "God's will" by invading other countries and killing millions of innocent people.

The war led to the overthrow of the Romanov dynasty in Russia and the establishment of the Reds or Communists in Russia!!

White Pope Benedict **XV** was World War I Pope!!

The last Pope to be named Benedict was Giacomo della Chiesa who took the named Benedict XV. Pope Benedict XV presided over the terrible slaughter called World War I. He became Pope just as the war commenced:

Pope Pius X had a very *timely* death on August 20, 1914. He refused to cooperate with the General and so he was removed to make way for a more compliant Pope.

Pope Benedict XV was "elected" to the Papacy on Sept. 3, 1914, following the *timely* death of his predecessor, Pope Pius X, on August 20, 1914.

World War I —the so-called war to end all wars—started in August 1914.

The world war was a desperate struggle to destroy Orthodox Russia and the Orthodox Congregation.

Benedict XV was actually named the *Boche Pope* for his support of the Kaiser and the Central Powers!!

Pope Benedict XV (White Pope from 1914-1922).

With the destruction of Orthodox Russia, the Vatican hoped to get back the Papal States which were liberated by Giuseppe Garibaldi and [Alexander \(the Great\) Gavazzi](#) in 1870.

Achtung!!—Panzer Cardinal becomes Panzer Pope!!

Cardinal Joseph Ratzinger was known as the "Panzer Cardinal" at the Vatican because he served in the Wehrmacht under Hitler during World War II.

This Panzer Pope has very, very powerful friends in Washington DeCeit. Here are some of them:

Donald Rumsfeld
(Dumbsfeld)
(Pentagon
Secretary of
Defense).

The Pentagon fortress in Wash.
DeCeit. is the equivalent of the
Green Zone in occupied Iraq. It is the
hdqrs. of the [Rockefeller](#)-Fatima-Nazi
Crusaders!!

Richard B. Myers
(1918--) Chairman
of the Joint Chiefs
of Staff. Myers
reports *directly* to
his General in
Rome . . . not to
the U.S. President!!

Operation RATLINE!!

At the end of World War II, thousands of Nazi war criminals were brought to the U.S. under an operation code named Operation RATLINE. Probably the most famous (or infamous) was moonfaker [Werner Von Braun](#).

These Nazis were given very important jobs at the Pentagon, and ordered to continue the fight against Russia from the safety of the U.S.

Believe it or not the Vatican's goals have not changed. She still wants to undo the blessed Reformation; recover the lost Papal States and destroy Russia!!

The only thing that has changed is the Vatican's sword. In the nuclear weapons age, she cannot rely on Germany but *needs* the *Protestant* U.S. in order to give Russia a knockout blow.

The lost war in Iraq greatly dampened the Fatima Crusader's zeal. Add to that the resurgence of Russia and it is enough to give nightmares to the General. That is why they hastened the demise of Pope John Paul II and "elected" a German Pope in order to instill some crusading zeal into the flagging Roman legions!!
