Confidential Magazine expose of Sumner Welles

This queer exposé of Sodom and Gomorrah ancient and modern is under construction.

The New York City Pervert Parade ...updated!!

God created Adam and Eve . . . not Adam and . . . Steve!!

Jesus said:

"Now I have told you before it comes to pass that WHEN it comes to pass ye might believe" (John 14:29).

"Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded;
But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all.
Even thus shall it be in the day when the Son of man is revealed.
In that day, he which shall be upon the housetop, and his stuff in the house, let him not come down to take it away: and he that is in the field, let him likewise not return back.

"And turning the cities of Sodom and Gomorrah into ashes condemned them with an overthrow, making them an ensample unto those that after should live ungodly;
And delivered just Lot, vexed with the filthy conversation of the wicked:
(For that righteous man dwelling among them, in seeing and hearing, vexed his righteous soul from day to day with their unlawful deeds;) The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgment to be punished." (II St. Peter 2:6-8).
God ALMIGHTY visited Sodom in person!!

Prior to his appearance as a babe in Bethlehem, the Son of God frequently appeared in the Old Testament as an angel—the angel of the Lord. On other occasions He appeared as a man. This is called a **theophany**. In the case of Sodom, God appeared to Lot, disguised as a man:

"And there came two angels to Sodom at even; and Lot sat in the gate of Sodom: and Lot seeing them rose up to meet them; and he bowed himself with his face toward the ground; And he said, Behold now, my lords, turn in, I pray you, into your servant's house, and tarry all night, and wash your feet, and ye shall rise up early, and go on your ways. And they said, Nay; but we will abide in the street all night. And he pressed upon them greatly; and they turned in unto him, and entered into his house; and he made them a feast, and did bake unleavened bread, and they did eat. But before they lay down, the men of the city, even the men of Sodom, compassed the house round, both old and young, all the people from every quarter:" (Genesis 19:1-3).

Every queer from every quarter!!

Satan's people usually hate each other and it is very, very difficult to get them to unite. Their watchword is: competition not cooperation . . . or division not unity . . . or war and not peace....In this case they were all UNITED in their insane lust to rape the Heavenly visitors:

"But before they lay down, the men of the city, even the men of Sodom,compassed the house round, both old and young, all the people from every quarter:" (Genesis 19:4).

The perverts wanted to rape GOD ALMIGHTY!!

The perverts knew that homosexuality is spread by **personal contact**. Nobody is born a homosexual so they insisted on RAPING the two men, one of whom was GOD ALMIGHTY Himself disguised as a man. This was the Sodomites way of spreading their perverted lifestyle:

"And they called unto Lot, and said unto him, Where are the men which came in to thee this night? bring them out unto us, that we may know them. And Lot went out at the door unto them, and shut the door after him, And said, I pray you, brethren, do not so wickedly.

http://www.reformation.org/sodom-and-gomorrah.html (2 of 17)
Behold now, I have two daughters which have not known man; let me, I pray you, bring them out unto you, and do ye to them as is good in your eyes: only unto these men do nothing; for therefore came they under the shadow of my roof. And they said, Stand back. And they said again, This one fellow came in to sojourn, and he will needs be a judge: now will we deal worse with thee, than with them. And they pressed sore upon the man, even Lot, and came near to break the door. But the men put forth their hand, and pulled Lot into the house to them, and shut to the door. And they smote the men that were at the door of the house with blindness, both small and great: so that they wearied themselves to find the door."(Genesis 19:5-11).

God had to drag Lot and his family from the doomed city!!

So evil was the spell of the Sodomites, that on the very eve of destruction Lot was reluctant to leave the doomed city. Abraham had prayed for the wicked cities but he was only able to save Lot and his 3 daughters. His wife disobeyed God, looked back, and she became a pillar of SALT:

"And the men said unto Lot, Hast thou here any besides? son in law, and thy sons, and thy daughters, and whatsoever thou hast in the city, bring them out of this place:
For we will destroy this place, because the cry of them is waxen great before the face of the LORD; and the LORD hath sent us to destroy it.
And Lot went out, and spake unto his sons in law, which married his daughters, and said, Up, get you out of this place; for the LORD will destroy this city. But he seemed as one that mocked unto his sons in law.
And when the morning arose, then the angels hastened Lot, saying, Arise, take thy wife, and thy two daughters, which are here; lest thou be consumed in the iniquity of the city.
And while he lingered, the men laid hold upon his hand, and upon the hand of his wife, and upon the hand of his two daughters; the LORD being merciful unto him: and they brought him forth, and set him without the city.
And it came to pass, when they had brought them forth abroad, that he said, Escape for thy life; look not behind thee, neither stay thou in all the plain; escape to the mountain, lest thou be consumed.
And Lot said unto them, Oh, not so, my LORD:
Behold now, thy servant hath found grace in thy sight, and thou hast magnified thy mercy, which thou hast shewed unto me in saving my life; and I cannot escape to the mountain, lest some evil take me, and I die:
Behold now, this city is near to flee unto, and it is a little one: Oh, let me escape thither, (is it not a little one?) and my soul shall live.
And he said unto him, See, I have accepted thee concerning this thing also, that I will not overthrow this city, for the which thou hast spoken. Hasteth, escape thither; for I cannot do anything till thou be come thither. Therefore the name of the city was called Zoar. The sun was risen upon the earth when Lot entered into Zoar." (Genesis 19:12-23).

Destruction of Sodom and Gomorrah—God *cremated* the queers!!

The Almighty sent the queers some real queer WEATHER: It started to rain fire and brimstone:

"Then the LORD rained upon Sodom and upon Gomorrah brimstone and fire from the LORD out of heaven;
And he overthrew those cities, and all the plain, and all the inhabitants of the cities, and that which grew upon the ground. But his wife looked back from behind him, and she became a pillar of salt.
And Abraham gat up early in the morning to the place where he stood before the LORD:
And he looked toward Sodom and Gomorrah, and toward all the land of the plain, and beheld, and, lo, the smoke of the country went up as the smoke of a furnace.
And it came to pass, when God destroyed the cities of the plain, that God remembered Abraham, and sent Lot out of the midst of the overthrow, when he overthrew the cities in which Lot dwelt. And Lot went up out of Zoar, and dwelt in the mountain, and his two daughters with him; for he feared to dwell in Zoar: and he dwelt in a cave, he and his two daughters." (Genesis 19:24-30).

The Dead Sea or the Salt Sea is all that is left of Sodom and Gomorrah
Before the destruction of Sodom and Gomorrah all the land was fertile and the cities were very rich and prosperous:

"And Lot lifted up his eyes, and beheld all the plain of Jordan, that it was well watered every where, before the LORD destroyed Sodom and Gomorrah, even as the garden of the LORD, like the land of Egypt, as thou comest unto Zoar" (Genesis 13:10).

St. Jude said that the Salt Sea is an example to all generations on God's hatred for homosexuality:

"Even as Sodom and Gomorrah, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire." (Jude 1:7).

That was *ancient* Sodom and Gomorrah *circa* 2000 B.C. Now we will look at the *modern* Sodom and Gomorrah!!

Franklin Delano Roosevelt (1882-1945). Dictator of the U.S. from March 1933 to April 1945.

Adolf Hitler (1889-1945). Dictator of Germany from March 1933 to April 1945.
By taking advantage of the Great Depression, Hitler usurped power in Germany and Roosevelt became Dictator of the U.S. Everybody knows that Hitler was surrounded by homosexuals but until now few people know about the Roosevelt Reich and homosexuality.

**FDR's Homosexual VICE SQUAD!!**

Newport Rhode Island was a huge Naval base during WW I. As usual, where a lot of young men are separated from their homes and families, prostitution was rampant. Due to the large number of complaints from the families of the young sailors, the Navy closed the brothels and prohibited the prostitutes from entering the town.

Another kind of complaint arose however and that was that sailors were invited to perform lewd homosexual acts with other sailors. It was at that time that FDR entered the picture. He decided to set up a VICE SQUAD to uncover the homosexuals. Most large cities in the U.S. have a vice squad. Women police officers dress up as prostitutes and when men try to solicit them they are IMMEDIATELY arrested.... The police officers do not invite the customers to have sex with them in order to get evidence against them.

FDR decided that his VICE SQUAD (comprising about 20 sailors as decoys) should go all the way in entrapping the sailors. Many were invited to the YMCA and other places in the city, and in this way; evidence of their abhorrent behavior obtained!!

FDR was Assistant Secretary of the Navy from 1913 to 1920. He set up a VICE SQUAD to entrap homosexuals by having sailors perform lewd acts with other sailors in order to get evidence!!
"Well before the Foster Court of Inquiry completed deliberations, steps had been taken to expand the pursuit of homosexuals within the navy. Instead of focusing primarily on sailors, Hudson, Arnold, and the "operators" now turned their attention to civilians. What eventually brought the Newport sex scandal into the nation's headlines, however, was its formal authorization by the Navy Department, including approval from both the Secretary and the Assistant Secretary of the Navy. What had once been a limited investigation at a single post now expanded throughout the northeast as Section A within the Assistant Secretary of the Navy's office. Because that official was Franklin Delano Roosevelt, the historical significance of the scandal increased materially." (Murphy, Perverts by Official Order, p.69).
R. Livingston Beekman urged FDR to clean-up Newport!!

at the Naval Court of Inquiry regarding the Newport scandal. He was a close friend of Daniels and Roosevelt.

Chaplain of the Newport YMCA and the central figure in the Newport homosexual scandal.

J. Edgar Hoover and Heinrich Himmler!!

J. Edgar Hoover (1895-1972). Director of the FBI from 1935 to 1972. The FBI originated from a force of Special Agents created on July 26, 1908 by Attorney General Charles Joseph Bonaparte during the Presidency of Theodore Roosevelt. At first it was named the Bureau of Investigation (BOI) and it did not become the FBI until 1935.

Heinrich Himmler (1900-1945)

Heinrich Himmler was the equivalent of J. Edgar Hoover in the U.S.

He was Director of the Gestapo from 1936 to 1945. Anyone opposing Hitler was eliminated. Himmler and all the SS were violent homosexuals.

Anybody opposing FDR was eliminated by this Federal Bureau of Inquisition.

Hoover and his "G" men!!
Hoover on vacation with his "G" man Clyde Tolson.  Another *family* picture of Hoover and Clyde Tolson.  Hoover and Guy Hottel, another of his "G" men.

Hoover had files on everyone of importance in the U.S. and the *world*. Presidents lived in mortal fear of him. Finally, in 1972, President Nixon managed to give him the *poison cup* and rid the country of the queer for good.

**Sumner Welles—U.S. Under Secretary of State propositions Pullman porters!!**

From 1933 to 1936, Sumner Welles was Assistant Secretary of State for Latin America. In 1937, Roosevelt *promoted* him to Under Secretary of State. He was second in command at the State Department under Cordell Hull.

Had Welles been successful in his bid to replace his boss, Cordell Hull, he would have been second in line for the Presidency.

Sumner Welles tried to run the State Department; and he was the architect of the Roosevelt Reich Foreign Policy.

On his way back to Washington after attending a funeral for House Speaker Bankhead, Sumner solicited several Pullman porters to commit illegal lewd homosexuals acts with him:
"After changing into funeral attire, the President and cabinet members drove to the small First Methodist Church where 65,000 visitors, drawn by FDR's presence, gathered outside. Immediately after the service, the President and his party returned to the train which was soon clacking and swaying back to Washington. The next few hours would alter Welles's life. Bone-weary, he began drinking in the dining car with colleagues. By 2 A.M. he was drunk. By then, all but Carmody and Wallace had gone to bed. Welles rambled on about his mission to Europe for FDR earlier that year and, according to Wallace, praised the Pope and Mussolini. By 4 A.M., as the train neared Roanoke, Virginia, Wallace and Carmody retired, leaving Welles alone. After lurching and staggering to his compartment, he rang for coffee and the sleepy Pullman staff roused itself to serve him. The first porter to appear, John Stone, a respected black veteran of the Pullman service, was allegedly offered money for immoral acts. Refusing politely but firmly, Stone returned to the dining car and recounted the incident to his colleagues. Other porters subsequently answered Welles's calls and later reported "indirect" advances. The news soon reached the ears of W. F. Kush, the dining car manager; W. A. Brooks, a conductor; and D. J. Geohagen, a Pullman inspector. Luther Thomas, the Southern Railway's special assistant for security, alerted Dale Whiteside, chief of the President's Secret Service detail." (Sumner Welles: FDR's Global Strategist, pp.1-3).

FDR assigns Sumner a bodyguard to restrain him!!

Instead of immediately firing the pervert, Roosevelt kept his buddy in the State Department and assigned him a bodyguard to restrain his homosexual urges:

"Hoover's report throws light on FDR's mental process. If the President did not wish to "tell Welles himself," Hoover suggested, he might have someone travel with him in future to prevent a recurrence. It should, however, be someone mature: not a "young man who might lend credence to the stories circulating." Roosevelt thought this the proper solution. He needed Welles and would keep him. Watson was ordered to have a friend of Welles's (presumably Berle) assign him a bodyguard for future travels, and Hoover told to impose silence on all concerned. The only three copies of the FBI report were to be locked in Watson's safe. His decision made, Roosevelt turned to his other problems." (Sumner Welles:...

Ambassador to Cuba Sumner Welles and President Roosevelt taking a drive during their meeting at Warm Springs, Georgia, in Nov. 1933 to discuss the Cuban situation.

Roosevelt and Churchill at the Atlantic Conference. Welles is giving Churchill the *queer eye* in the background. Roosevelt had a bodyguard *shadow* Sumner in order to restrain his violent homosexual impulses.

**Sumner Welles meets the Bishop or Rome!!**

Roosevelt sent Sumner Welles on a fact finding mission to Europe in 1940. Of course he was accompanied by the bodyguard to restrain his homosexual impulses:

"During the following two days, while I was awaiting such final word of the outcome of the meeting at the Brenner Pass as the Italian government was disposed to give me, I was received by Pope Pius XII at the Vatican. Subsequently, I was afforded the opportunity of talking with Cardinal Maglione, the Cardinal Secretary of State. The detailed and accurate knowledge of the Holy See of conditions in every part of the world, particularly in the countries of Europe, is proverbial. What is perhaps not so well recognized is the quality of statesmanship which, at least in recent years, has distinguished the Vatican's policy" (The Time for Decision, p. 142).

**Sumner Welles was about to cost FDR the 1944 Presidential Election!!**

FDR was determined to be Dictator for life but the Sumner scandal threatened his reelection:

"As the rumors of Welles's homosexuality spread to a wider audience, it was clear that eventually someone antagonistic to the administration would hear about the scandal. Senator Ralph Owen Brewster, Republican of Maine, was that man. Never a major political force, he was known for his opposition to the New Deal and his assignment on the Senate Special Committee to Investigate the National Defense Program, better known as the Truman committee, which had gained a national recognition for exposing wrongdoing in wartime procurement contracts. Armed with some details concerning the 1940 train episode, Brewster called on J. Edgar Hoover on April 27, asserting that "thoroughly reliable sources" had informed him that the FBI had investigated "certain alleged disgraceful actions upon the part of" Welles. The senator even declared that he had the names of the FBI agents and those whom they had interviewed. He then stated "that the information was so shocking that he had not discussed this matter with any one but had come directly to see [Hoover] in order to determine whether or not any such investigation had in fact been made by this Bureau." Hoover admitted making a report on the incident but told Brewster that if he wanted more information, he should see Hull, who was well acquainted with the charges." (Secret Affairs: Franklin Roosevelt, Cordell Hull, and Sumner Welles, p. 313).

Welles resigned on August 16, 1943, to be replaced by Nelson Rockefeller!!

Welles was forced to resign on August 16, 1943, and was replaced by would-be-king Nelson Rockefeller. Nelson was Roosevelt's boss and he OWNED the government!!

Cordell Hull (Secretary of State from 1933-1945) was providentially feeling very ill at that time. He resigned in 1944 to be replaced by Edward Stettinius. According to Nelson Rockefeller, the State Department was full of queers:

"While the public riveted its attention on the presidential address and daily reports from the battlefields, hemispheric affairs slipped from the front pages, and, without Welles's driving presence, were eliminated as a major diplomatic imperative. Those who had been closely associated with the former under secretary were systematically reassigned or fired. Unfortunately for many of them, the new assistant secretary of state for Latin American affairs, Nelson Rockefeller, made job security precarious: "when I entered the State Department ... we cleared out most of the people who were there [in the Latin American division].... There were a hell of a lot of them [homosexuals] there. We got them out." (Secret Affairs: Franklin Roosevelt, Cordell Hull, and Sumner Welles, pp. 371-172).

President Truman blocked Rockefeller from becoming President!!
President Harry Truman.  
President from 1945 to 1952.

He knew that Rockefeller had his eyes on the White House and was trying to sneak in through the back door!!

In 1945, the next person in line for the Presidency, after the Vice President, was the SECRETARY OF STATE.

Roosevelt appointed his boss, Nelson Rockefeller, to the position vacated by Sumner Welles.

Rockefeller was just a heartbeat away from becoming Secretary of State. All that was then required was to have J. Edgar Hoover arrange for a timely demise of the Vice President . . . and the President. The door was then wide open to the White House for king Nelson.

President Truman realized that his own life was in jeopardy with Rockefeller in the direct line of succession so he introduced an Act of Congress to change the succession!!

President Truman had an Act of Congress change the Presidential Succession from Secretary of State to Speaker of the House of Representatives and then the President Pro Tempore of the Senate:

"(1) If, by reason of death, resignation, removal from office, inability, or failure to qualify, there is neither a President nor Vice President to discharge the powers and duties of the office of President, then the Speaker of the House of Representatives shall, upon his resignation as Speaker and as Representative in Congress, act as President.
(2) The same rule shall apply in the case of the death, resignation, removal from office, or inability of an individual acting as President under this subsection." (Presidential Succession Act of 1947).

Welles was the Father of the United Nations!!
From late in 1946 until the end of 1947, Welles broadcast an NBC series entitled "Your United Nations" to win public acceptance for the organization. He urged locating its headquarters in New York City, served as honorary president of the American Association for the United Nations, Inc., and insisted that the United States fully commit to the organization. He wanted the general assembly to discuss colonialism and exploitation and called for an end to imperialism. To Welles, the only hope for an enduring peace was a universal agency that could impose collective security. He encouraged the inter-American system to return to the spirit of the good neighbor and to play a major role in the United Nations. If the Truman administration did not act to solve hemispheric social and economic inequities, anarchy might result. He also championed freedom of information throughout the Americas so that there would be a free exchange of ideas." (Secret Affairs: Franklin Roosevelt, Cordell Hull, and Sumner Welles, p. 389).

Welles was the Father of the State of Israel!!

"Welles also became passionately involved with the creation of a Jewish homeland in Palestine; he insisted that Roosevelt had supported turning the British mandate in Palestine into a United Nations trusteeship. As early as April 1945, he openly called for the end of British rule in favor of an international force to allow large numbers of Jewish refugees to settle there. He hoped for Arab cooperation, but if that was not forthcoming, he suggested that unrestricted immigration proceed under military supervision. To demonstrate his commitment, he accepted the chairmanship of the American-Christian Palestine Committee of Maryland, an organization that Rabbi Stephen Wise had formed in late 1942 to assist European Jews, end the British mandate, and support the state of Israel. Welles thought that the world owed Europe's displaced...
Jews a homeland in Palestine, and to guarantee that objective the United States and the United Nations should provide whatever armed forces were necessary." (Secret Affairs: Franklin Roosevelt, Cordell Hull, and Sumner Welles, p. 390).

Sodom Soldiers!!

The Roosevelt Reich seized power in 1933 and they do not represent the United States. The U. S. Constitution is the Supreme Law of the land and they have usurped the Constitution. Congress alone had the power to declare war and then no armies are to funded for a period longer than 2 years:

Section 8 - Powers of Congress

"To raise and support Armies, but no Appropriation of Money to that Use shall be for a longer Term than two Years;"

Beginning in 1943, The Roosevelt Reich built themselves a huge headquarters. It is the largest military command post in the world. It completely dominates Washington City . . . and ALL the politicians. It is a LEACH and a VAMPIRE sucking the life blood of the nation in a mad quest for world domiation.

The Pentagon is the military headquarters of the Sodom soldiers. Sodom soldiers in action in Iraq!!
