

Giants in the New World!!

[Click to enlarge the giants.](#)

Before the Great Flood, there was just ONE WORLD with ONE LANGUAGE and no vast seas separating continents and people.

The climate was universally mild and totally different from today because the Bible says that it never RAINED before the Flood:

"And there went up a mist from the earth, and watered the whole face of the ground." (Genesis 2:6).

The Bible also makes it abundantly clear that there were GIANTS on the earth before the Great Flood who corrupted the human race and that was the reason why God destroyed the world with a universal Flood:

"There were giants in the earth in those days; **and also after that**, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown." (Genesis 6:4).

The evil doings and exploits of these GIANTS in stature and wickedness were the basis for the oral traditions of demigods like Zeus, Prometheus, Hercules and Atlas:

Zeus.

All nations have traditions of GIANTS who were partly human and SUPERHUMAN.

These giants were noted for their strength and warlike abilities.

The Greeks called them TITANS while the Bible called them *Nephilim*.

Prometheus.

The annals of ancient mankind are filled with the doings of semi-divine beings intermarrying with humans, and producing

offspring.

After the giants and the corrupt antediluvians were all drowned in the Great Flood, we do not encounter giants again until the Israelites were ready to conquer the Promised Land.

Giants at the time of Moses and Joshua

When Abraham entered the land of Canaan in 2008 B.C., JEHOVAH promised him that after 430 years his descendants would inherit the Promised Land.

Satan decided to challenge God's possession of the land, and by the time Moses was born, the land of Canaan was overrun by these monsters. Moses sent 12 men to spy out the Promised Land, and this is the report that 10 faithless, fearful men brought back:

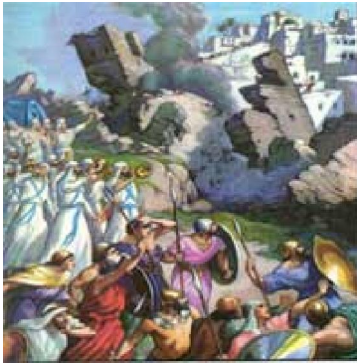

"And they told him (Moses), and said, We came unto the land whither thou sentest us, and surely it floweth with milk and honey; and this is the fruit of it. Nevertheless the people be strong that dwell in the land, and the cities are walled, and very great: and moreover we saw the children of Anak there. And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, is a land that eateth up the inhabitants thereof; **and all the people that we saw in it are men of great stature. And there we saw the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight**" (Numbers 13: 32-33).

Because of their fear and refusal to fight the giants and conquer the land, the Israelites wandered in the wilderness for 40 years until all the faithless ones were dead. Only Caleb and Joshua of the original 12 spies lived to see the Promised Land.

Giants barred the entrance to the Promised Land!!

400 years after JEHOVAH promised Abraham to give his descendants the Promised

Land, the land of Canaan was crawling with giants. Jericho was their main city which barred the entrance to the Promised Land.

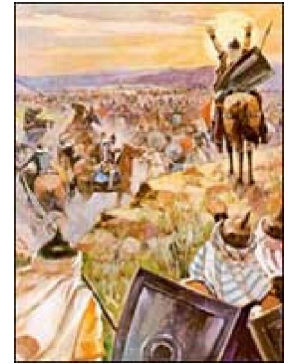

The walls of Jericho fell down flat.

JEHOVAH intervened supernaturally to defeat the GIANTS of Canaan.

The walls of Jericho fell down flat.

The sun and moon stopped moving.

Great hailstones fell from heaven and the Lord sent hornets to drive out the giants from their hiding places.

Joshua commanded the sun and moon to stop moving.

"The sun and moon stood still in their habitation: at the light of thine arrows they went, and at the shining of thy glittering spear." (Habakkuk 3:11).

Most of the giants that escaped this divine destruction fled from the Middle East and found a refuge in Europe and Asia....Later many of them emigrated to the New World!!

These giants could have been 22ft or even taller because the Bible describes them as tall as CEDARS and strong as OAK trees:

"Yet destroyed I the Amorite before them, whose height was like the height of the CEDARS, and he was strong as the OAKS; yet I destroyed his fruit from above, and his roots from beneath." (Amos 2:9).

David and Goliath

Almost everybody knows the story of David and Goliath....Goliath of Gath was a MONSTER and he had at least 4 brothers. He was a remnant of the giants that escaped the Conquest of Canaan.

Goliath was 6 cubits and a span tall....The length of a cubit is indefinite so Goliath could have been anywhere from 10ft to 22ft tall because 22ft giant skeletons have been found.

Goliath of
Gath was at

Goliath was a monster who frightened the whole army of king Saul.

least 15ft (450 cm) tall and his spear alone weighed 150 lbs (68 kg).

David knocked him senseless with a stone and then cut off his head.

Goliath had 6 fingers on each hand and 6 toes on each foot.

David smote him with a stone and then cut off his head.

The Philistine army that employed that monster as a mercenary fled when they saw that their champion was dead:

"Therefore David ran, and stood upon the Philistine, and took his sword, and drew it out of the sheath thereof, and slew him, and cut off his head therewith. And when the Philistines saw their champion was dead, they fled." (I Samuel 17:51).

Giants had 6 fingers and 6 toes!!

Giants were biological monstrosities produced by Satan himself to defeat the plans of JEHOVAH to redeem the fallen human race.

Goliath was not the last of the giants for he had at least 4 brothers. Giants were characterized not only by their sheer size and strength, but by having 6 fingers on each hand and 6 toes on each foot:

"And there was yet a battle in Gath, where was a man of great stature, that had on every hand six fingers, and on every foot six toes, four and twenty in number; and he also was born to the giant. And when he defied Israel, Jonathan the son of Shimeah the brother of David slew him. These four were born to the giant in Gath, and fell by the hand of David, and by the hand of his servants." (II Samuel 21:20-22).

Giants emigrated to the New World after the conquest of Canaan!!

There may have been giants in the New World before 1400 B.C., but the real wicked and depraved ones starting arriving in the years following the Conquest of Canaan by Joshua.

Here is a report of the arrival of some giants in Peru by Garcilaso de la Vega, el Inca:

"As there is in Peru a story of some giants who landed on the coast at the point of Santa Elena, in the vicinity of the city of Puerto Viejo, I have resolved to mention what I was told about them, as I understood it, without taking into account the opinions of the common people and their various anecdotes, for they usually magnify events larger than life. **The natives, repeating a story received from their forefathers from very remote times, say that there came from across the sea on reed rafts that were as large as big ships some men that were so big that an ordinary man of good size scarcely reached up to their knees: their members were in proportion to the size of their bodies, and it a monstrous thing to see their enormous heads and their hair hanging down about their shoulders.** Their eyes were as large as small plates. They say they had no beards and that some of them were clad in the skins of animals, and others only in the dress nature gave them. There were no women with them. On reaching this point, they set up their camp like a village (and even in these times there is a memory of the site of their houses). As they found no supply of water they remedied the lack by making some very deep wells, a labor certainly worthy of record, being undertaken by such strong men as these must have been, to judge by their size. They dug these wells in the living rock until they came to the water, and afterwards they built the wells in stone from the water line upwards so that they would last for ages. In these wells the water is excellent and it is always so cold that it is very pleasant to drink." ([Royal Commentaries of the Incas](#)).

Giants were also found in Mexico when the Spanish invaded in 1518:

"It cannot be denied that there have been giants in this country. I can affirm this as an eyewitness, for I have met men of monstrous stature here. I believe that there are many in Mexico who will remember, as I do, a giant Indian who appeared in a procession of the feast of Corpus Christi. He appeared dressed in yellow silk with a halberd at his shoulder and a helmet on his head. And he was all of three feet taller than the others." (Durán, *The Aztecs: The History of the Indies of New Spain*, pp. 5-6).

The Olmecs were the first civilization destroyed by the giants!!

The first advanced civilization that they destroyed was the OLMEC. The Olmecs disappeared suddenly and violently from history around 1300 B.C.

The Olmecs—
originators of the
Long Count
calendar—
disappeared from
history around 1300

They were replaced
by the warlike
Mayans who
practiced human
sacrifice.

Totally opposite to
evolution, the trend
seems to be from
better to worse.

Here is a report by Mayan expert Jacques Soustelle:

"Proof of the catastrophe that brought the civilization of San Lorenzo to an end is afforded us by the traces of the fury with which these sculpted monuments were attacked. All of the colossal heads—save one—withstood these furious onslaughts, which nonetheless left their mark on them in the form of circular holes. Other pieces were hammered to bits, completely shattered. It was no doubt necessary to hoist heavy blocks of stone above certain monuments and let them fall from considerable heights to achieve this sledge-hammer effect. This work of destruction must have involved tremendous labor, whereupon the mutilated statues, the fragments of sculptures were buried deep in the ground." (Soustelle, *The Olmecs*, p. 54).

Nobody can give any reason why such an advanced society disappeared so suddenly to be replaced by a warlike and morally inferior group known today as the Maya.

The Maya replaced the destroyed Olmec civilization

The Olmec civilization was suddenly and brutally destroyed by the giants who fled from Canaan. The Maya culture that succeeded it was heavily influenced and controlled by the giants whom they worshipped as gods or divinities.

The Maya succeeded the Olmecs and borrowed most of their advanced civilization.

The Long Count calendar was handed down from the Olmecs.

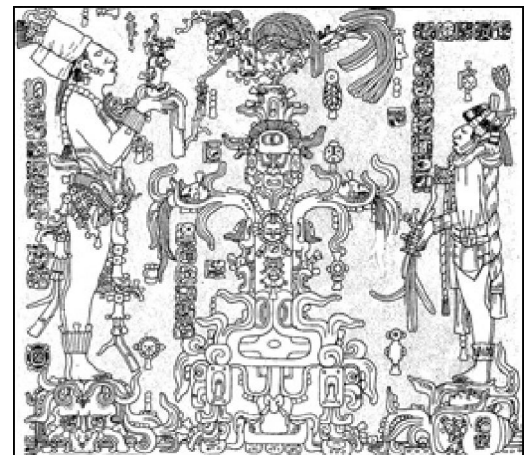

The king of the Maya, CHAN-BAHLUM, is depicted on the Maya temple as having 6 fingers and 6 toes. This is the connection with the monstrosities that inhabited the land of Canaan.

Crosses were found in every part of the New World and represent GIANT worship.

Statues or statuettes of 6-toed, 6-fingered monstrosities can be seen all over Mesoamerica.

These monsters escaped from Canaan and found a hiding place in the New World!!

The Mayan civilization flourished from about 1000 BC to 300 AD and then they suddenly disappeared from history. No doubt they too were destroyed by the GIANTS to make way for something far, far worse—the AZTECS.

The AZTECS empire was overthrown by the Spanish!!

Everybody knows how brutal and bloodthirsty the Aztecs were. They borrowed their "civilization" from the Maya, which in turn borrowed it from the Olmecs. The trend in the New World seems to be always downward . . . or from better to worse.

The Mayan civilization

The idol Huitzilopochtli was the sun god and they believed that he required human blood in order to rise each morning.

was destroyed suddenly by the GIANTS to make way for the Aztecs.

The brutal Aztec regime was a GIANTS dream come true.

It was almost a mirror of the land of Canaan before Joshua destroyed the evil inhabitants and their giants.

After the victim had his heart ripped out, he was thrown down the steps of the pyramid and then chopped up and eaten!!

The Spanish regime that replaced the Aztecs was just as brutal and far more destructive than the Aztecs empire.

Bull of Pope Alexander VI guarded the New World after the Reformation!!

Beginning with [Pope Constantine](#), Satan raised up a GIANT CHURCH to bar the way to the spiritual Promised Land of Heaven. The mark of that church was the CROSS which was a very familiar religious symbol to ALL the New World people.

By 1500 A.D., that church had reached the apex of political and military power in Western Europe. So lofty were its claims that Pope Alexander VI (the infamous Borgia) actually gave the entire New World to Spain and strictly prohibited any other nationality from going there without a license from Ferdinand and Isabella . . . and their successors:

"Furthermore, under penalty of excommunication *late sententie* to be incurred *ipso facto*, should anyone thus contravene, we strictly forbid all persons of whatsoever rank, even imperial and royal, or of whatsoever estate, degree, order, or condition, to dare, without your special permit or that of your aforesaid heirs and successors, to go for the purpose of trade or any other reason to the islands or mainlands, found and to be found, discovered and to be discovered, towards the west and south, by drawing and establishing a line from the Arctic pole to the Antarctic pole, no matter whether the mainlands and islands, found and to be found, lie in the direction of India or toward any other quarter whatsoever, the said line to be distant one hundred

leagues towards the west and south, as is aforesaid, from any of the islands commonly known as the Azores and Cape Verde; apostolic constitutions and ordinances and other decrees whatsoever to the contrary notwithstanding." ([Inter Caetera Bull](#)).

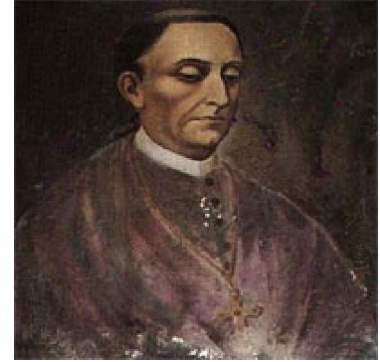

Hernán Cortés,
destroyer of the Aztec
empire.

Hernán Cortés—the most
HATED man in Mexico—
destroyed the Aztec empire.

Friar Diego de Landa
destroyed most of the vast
collection of Mayan and Aztec
books.

That is why it is *almost*
impossible to write a true
history of the GIANTS in the
New World.

Diego de Landa, Bishop
of Yucatán, destroyed
the history of the New
World.

So we see that Satan guarded the New World from European or Asian visitors with his GIANTS. After the blessed Reformation, he used a GIANT church to keep all but Spanish from visiting the New World.

Goliath of Gath was a type of the Antichrist!!

This Mr. BIG was a monster with **six fingers** on each hand, and **six toes** on each foot. You could also call him Mr. 666:

"And there went out a champion out of the camp of the Philistines, named Goliath, of Gath, whose height was **six cubits** and a span. And he had an helmet of brass upon his head, and he was armed with a coat of mail; and the weight of the coat was five thousand shekels of brass.

And he had greaves of brass upon his legs, and a target of brass between his shoulders.

And the staff of his spear was like a weaver's beam; and his spear's head weighed **six hundred shekels of iron**: and one bearing a shield went before him." (I Samuel 17:4-7).

Nobody can deny that the Church of Rome is not a GIANT....Thank God that she is not CATHOLIC or universal yet, but she has millions of members in influential positions in Western Europe and the New World....She has incredible wealth at the Vatican— all

stolen from the gold and silver mines of Mexico and Peru....In addition, she has vast holdings of land worldwide . . . all owned by this GIANT corporation in Rome.

Christ ordained that each congregation of Christians be presided over by a pastor or elder who was responsible for his flock to the invisible GREAT Shepherd in the heavens—the Lord Jesus Christ.

When Jesus wished to communicate to the local congregations, He sent 7 separate letters to 7 different congregations, and not *one* letter was addressed to Rome. These 7 letters are found in the opening chapters of the Book of Revelation:

"Unto the angel of the congregation of Ephesus write; These things saith he that holdeth the seven stars in his right hand, who walketh in the midst of the seven golden candlesticks"(Revelation 2:1).
