

The United Nations

UN headquarters in New York.

"Why do the nations rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us. He that sitteth in the heavens shall laugh: the LORD shall have them in derision. Then shall he speak unto them in his wrath, and vex them in his sore displeasure." ([Psalm 2:1-5](#)).

Twisted gun sculpture outside UN building.

Believe it or not the UN is located in New York City which is STILL part of the United States. The ONLY thing standing between a Roman Catholic totalitarian state and the people of the United States is an ARMED CITIZENRY. The Constitution of the U.S. still applies to the UN because it is located on U.S. territory....Here is Amendment #2 from the U.S. Bill of Rights:

"A well regulated Militia, being necessary to the security of a free State, the right of the PEOPLE to KEEP and bear Arms, shall not be infringed."

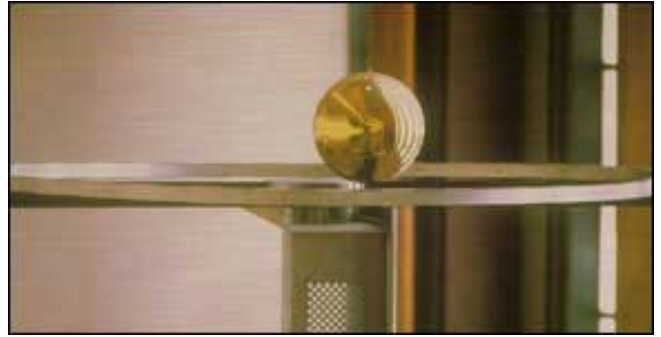

The UN wants a rotating earth to disprove the Bible!!

The [Rockefeller](#) owned UN wants a rotating earth because that would disprove the Bible and make God a LIAR....

What proof do they offer for their moving earth or heliocentric humbug? Just a 150 year old pendulum experiment called [Foucault's pendulum](#) or more rightly called Foucault's Folly!!

Foucault pendulum in UN lobby.

Foucault's pendulum hanging from the lobby of the UN building in Manhattan. This lying wonder is supposed to prove that the earth moves!!

Here is a description of the Foucault pendulum from the official UN publication in English, French and Spanish:

The Foucault Pendulum, a gift to the United Nations by the Netherlands, offers visual proof of the rotation of the Earth on its axis. It comprises a 200-pound gold-plated sphere suspended from the 75-foot ceiling by a stainless-steel wire which holds the sphere to allow the weighted ball to swing freely in any plane.

Le pendule de Foucault, offert à l'Organisation des Nations Unies par les Pays-Bas, donne la preuve visuelle de la rotation de la Terre sur son axe. Il consiste en une sphère de 100 kilos, plaquée or, suspendue à un plafond de 25 mètres de haut par un fil d'acier inoxydable qui laisse la masse osciller librement dans n'importe quel plan.

El Pendulo de Foucault, donado a las Naciones Unidas por los Países Bajos, demuestra la rotación de la Tierra sobre su eje. Consiste en una esfera de 90,72 kilogramos, enchapada en oro, suspendida del cielo raso de 22,86 metros de altura por un alambre de acero inoxidable que permite que la esfera oscile libremente en cualquier plano.

Sputnik 1 hanging from the ceiling of the UN lobby.

There is a model of Sputnik 1 hanging from the ceiling of the UN building lobby right across from the Foucault pendulum.

The space program should have definitely made the Foucault pendulum OBSOLETE.

Satellites in orbit around the earth would confirm that the earth was either stationary or moving. If it is moving, then they should show a visual video of the movement taken from outer space . . . and not a film studio!!

If it is not moving —and the Bible says it is not— then this LYING WONDER should be removed at once as it is paid for by U.S. taxpayers who have on their money this motto: IN GOD WE TRUST.

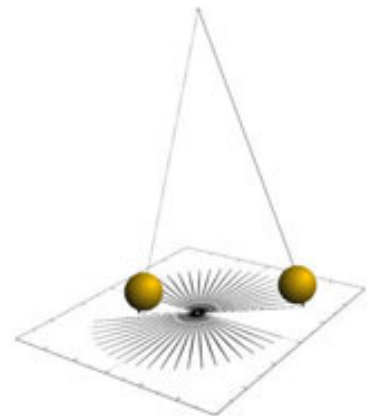

All Foucault pendulums are FAKES!!

Real scientists have known for centuries that pendulums are affected by the daily orbit of the moon. Foucault pendulums are all FAKES because they have to be FIXED in order to stay swinging in a certain way so that the DEMONstrators can "prove" that the earth rotates!!

Most people are familiar with the simple pendulum clock that swings back and forth on a fixed plane and keeps track of time. A Foucault pendulum is not like that at all. That pendulum is *supposed* to swing freely in any direction. If a pendulum clock was built like a Foucault pendulum, the pendulum would never tell time correctly but would swing wildly and eventually break the glass in the clock.

The pendulum in a pendulum clock swings back and forth and keeps track of time. The weights keep the pendulum swinging.

A Foucault pendulum is *supposed* to swing freely in any direction called an elliptic. Inertial forces act on the pendulum and can make it swing wildly.

A Foucault pendulum is a heavy round ball called a "bob" attached to a support by a long wire.

The upper support point is a very critical part of a Foucault pendulum, although not usually seen by visitors. It must be as rigid as possible with respect to the floor below. It must incorporate a means to grip the wire and support the weight of the bob, while still allowing the wire to swing freely in any direction. This is accomplished in some cases with a universal joint arrangement such as a double knife-edge, rolling cylinders, gimbaled bearings, loops of silk or catgut, and the like, and in others by fixing the wire solidly to the support and allowing it to bend below the support to provide the necessary motion. Spherical air bearings have also been tried on a few units.

In order to get a Foucault pendulum to stop swinging wildly at certain times of the day and work as the demonstrators want it to work; 3 things must happen. It must be DRIVEN, DAMPED and TUNED.

Foucault pendulums are DRIVEN, DAMPED and TUNED!!

The reason why Foucault pendulums are driven, damped and tuned is because there are powerful forces of INERTIA working on the pendulum. The sun and moon orbit the earth once every day, and their combined forces create tidal energy which moves millions of gallons of water. That is why Foucault pendulums have a diurnal rotation.

The UN pendulum is driven by a magnetic coil in the center of the ring. That is what keeps it swinging endlessly. It is DAMPED by means of a Charron ring which retard the swing, and it is tuned by the pied piper who wants to lead everybody to hell. Some of these fakes have a magnet *hidden* under the floor in order to retard the wild swinging.

Sir George Howard Darwin and pendulums

Sir George Howard [Darwin](#), F.R.S., was the second son of ape-man Charles Darwin. No one can accuse *him* of wanting to prove that the earth was not rotating as a rotating earth is the very foundation of EVILution. Sir George spent many years studying gravity and tidal forces by means of a pendulum. Here is a quote from his book on the tides:

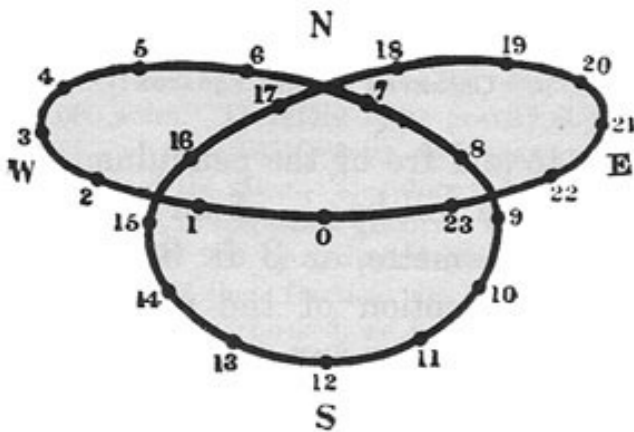

Fig. 25. - Deflection of a pendulum; the moon in N. declination 15° , the observer in N. latitude 30°

"The curves which are traced out by a pendulum present an infinite variety of forms, corresponding to various positions of the observer on the earth and of the moon in the heavens. Two illustrations of these curves must suffice. Fig 25 shows the case when the moon is on the celestial equator and the observer on the terrestrial equator. The path is here a simple ellipse, which is traversed twice over in the lunar day by the pendulum. The hours of the lunar day at which the bob occupies successive positions are marked on the curve.

If the larger ellipse be taken to show the displacement of a pendulum when the sun and moon cooperate at spring tide, the smaller one will show its path at the time of neap tide." (Darwin, *Tides*, pp. 111-112).

The United Nations in the Old Testament

When Moses led the people out of Egyptian bondage and traversed the Red sea; they spend a few months at Mount Sinai receiving the Ten Commandments, and then after a short journey of 3 days they were on the borders of the Promised Land. All they had to do was go up and possess it. Moses sent out 12 spies to spy out the land and report back to him. After 40 days they returned and only 2 of the spies: Caleb and Joshua, brought back a good report of the land to Moses:

"And Caleb stilled the people before Moses, and said, Let us go up at once, and possess it; for we are well able to overcome it."(Numbers 13:30).

10 of the spies were faithless and they managed to convince the people not to listen to Caleb and Joshua. The congregation actually wanted to stone Moses and turn back to Egypt:

"And they (10 spies) brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, is a land that eateth up the inhabitants thereof; and all the people that we saw in it are men of a great stature. And there we saw the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight" (Numbers 13:32-33).

For their sin of unbelief, JEHOVAH condemned them to wander in the wilderness for 40 years—one year for every day they were spying out the land. By that time, all the faithless ones were dead, and this gave the wicked inhabitants of Canaan an extra 40 years probation to repent or depart from the Promised Land. As thanks for the extra period of grace that was offered them they actually built stronger and more fortified cities!!

JOSHUA is the Hebrew word for JESUS

Moses died at the end of the 40 years wandering in the wilderness, and his picked successor was named JOSHUA. Joshua was commanded to utterly exterminate the wicked people in the Promised Land. The Canaanites used that 40 year period to build stronger cities, multiply instruments of war like horses and chariots, and breed more GIANTS to stop JEHOVAH'S people from entering the land. General Joshua was a perfect type of the Lord Jesus Christ. Joshua is even called JESUS in the New Testament:

"Which also our fathers that came in after brought in with JESUS into the possession of the Gentiles, whom God drove out before the face of our fathers, unto the days of David" (Acts 7:45).

The Gibeonites tricked Joshua into a peace treaty by pretending to be from a far country!!

After the complete destruction of the cities of Jericho and Ai, the kings of Canaan united to fight against Joshua. One tribe, the Gibeonites, decided to make peace with Joshua by pretending that they were from a FAR COUNTRY:

"And it came to pass, when all the kings which were on this side Jordan, in the hills, and in the valleys, and in all the coasts of the great sea over against Lebanon, the Hittite, and the Amorite, the Canaanite, the Perizzite, the Hivite, and the Jebusite, heard thereof; That they gathered themselves together, to fight with Joshua and with Israel, with one accord. And when the inhabitants of Gibeon heard what Joshua had done unto Jericho and to Ai, They did work wilily (craftily), and went and made as if they had been ambassadors, and took old

sacks upon their asses, and wine bottles, old, and rent, and bound up;

And old shoes and clouted upon their feet, and old garments upon them; and all the bread of their provision was dry and mouldy.

And they went to Joshua unto the camp at Gilgal, and said unto him, and to the men of Israel, We be come from a far country: now therefore make ye a league with us.

And the men of Israel said unto the Hivites, Peradventure ye dwell among us; and how shall we make a league with you? And they said unto Joshua, We are thy servants. And Joshua said unto them, Who are ye? and from whence come ye?

And they said unto him, From a very far country thy servants are come because of the name of the LORD thy God: for we have heard the fame of him, and all that he did in Egypt,

And all that he did to the two kings of the Amorites, that were beyond Jordan, to Sihon king of Heshbon, and to Og king of Bashan, which was at Ashtaroth.

Wherefore our elders and all the inhabitants of our country spake to us, saying, Take victuals with you for the journey, and go to meet them, and say unto them, We are your servants: therefore now make ye a league with us.

This our bread we took hot for our provision out of our houses on the day we came forth to go unto you; but now, behold, it is dry, and it is mouldy: And these bottles of wine, which we filled, were new; and, behold, they be rent: and these our garments and our shoes are become old by reason of the very long journey. "(Joshua 9:1-13).

Heliocentric "astronomers" use the same deception as the Gibeonites did to Joshua. They make the universe so big that it cannot possible orbit the earth in 24 hours.

According to them, the stars are billions of light years away and light only travel at 186,000 miles (299,329 km) per hour. They MUST have an old universe of billions of years for the light to reach us. A BIG and an OLD universe is definitely part of the heliocentric humbug.

Joshua commanded the sun and moon to stop moving!!

When the other kings heard that the Gibeonites had made peace with Joshua, they decided to unite and attack the GIBEONITES . . . as well as Joshua:

"Now it came to pass, when Adonizedec king of Jerusalem had heard how Joshua had taken Ai, and had utterly destroyed it; as he had done to Jericho and her king, so he had done to Ai and her king; and how the inhabitants of Gibeon had made peace with Israel, and were among them; That they feared greatly, because Gibeon was a great city, as one of the royal cities, and because it was greater than Ai, and all the men thereof were mighty.

Wherefore Adonizedec king of Jerusalem, sent unto Hoham king of Hebron, and unto Piram king of Jarmuth, and unto Japhia king of Lachish, and unto Debir king of Eglon, saying,

Come up unto me, and help me, that we may smite Gibeon: for it hath made peace with Joshua and with the children of Israel. Therefore the five kings of the Amorites, the king of Jerusalem, the king of Hebron, the king of Jarmuth, the king of Lachish, the king of Eglon, gathered themselves together, and went up, they and all their hosts, and encamped before Gibeon, and made war against it.

And the men of Gibeon sent unto Joshua to the camp to Gilgal, saying, Slack not thy hand from thy servants; come up to us quickly, and save us, and help us: for all the kings of the Amorites that dwell in the mountains are gathered together against us.

So Joshua ascended from Gilgal, he, and all the people of war with him, and all the mighty men of valour.

And the LORD said unto Joshua, Fear them not: for I have delivered them into thine hand; there shall not a man of them stand before thee.

Joshua therefore came unto them suddenly, and went up from Gilgal all night." (Joshua 10:1-9).

General Joshua did not abandon his new allies to their enemies even though they had tricked him into making an alliance with them. He commanded the sun and moon to stop moving in order to give him more time to defeat this united nations:

"Then spake Joshua to the LORD in the day when the LORD delivered up the Amorites before the children of Israel, and he said in the sight of Israel, Sun, stand thou still upon Gibeon; and thou, Moon, in the valley of Ajalon.

And the sun stood still, and the moon stayed, until the people had avenged themselves upon their enemies. Is not this written in the book of Jasher? So the sun stood still in the midst of heaven, and hasted not to go down about a whole day.

And there was no day like that before it or after it, that the LORD hearkened unto the voice of a man: for the LORD fought for Israel" (Joshua 10:12-14).

The United Nations against Joshua!!

When ALL the other people of Canaan SAW the sun and moon standing still in the sky did they get on their knees and ask JEHOVAH to have mercy on them and spare them? Absolutely not. They decided to get bigger armies and *more* war horses and chariots:

"And it came to pass, when Jabin king of Hazor had heard those things, that he sent to Jobab king of Madon, and to the king of Shimron, and to the king of Achshaph, And to the kings that were on the north of the mountains, and of the plains south of Chinneroth, and in the valley, and in the borders of Dor on the west, And to the Canaanite on the east and on the west, and to the Amorite, and the Hittite, and the Perizzite, and the Jebusite in the mountains, and to the Hivite under Hermon in the land of Mizpeh.

And they went out, they and all their hosts with them, much people, even as the sand that is upon the sea shore in multitude, with horses and chariots very many.

And when all these kings were met together, they came and pitched together at the waters of Merom, to fight against Israel.

And the LORD said unto Joshua, Be not afraid because of them: for to morrow about this time will I deliver them up all slain before Israel: thou shalt hough their horses, and burn their chariots with fire. So Joshua came, and all the people of war with him, against them by the waters of Merom suddenly; and they fell upon them.

And the LORD delivered them into the hand of Israel, who smote them, and chased them unto great Zidon, and unto Misrephothmaim, and unto the valley of Mizpeh eastward; and they smote them, until they left them none remaining."(Joshua11: 1-8).

The 3 goals of the United Nations

Believe it or not the MADMEN who are fighting against the Almighty actually want to turn the clock back to the Dark Ages. Only God is able to turn the clock backwards and that is exactly what He did when he turned back the sun 10° (about 40 minutes) during the time of king Hezekiah:

"And this shall be a sign unto thee (king Hezekiah) from the LORD, that the LORD will do this thing that he hath spoken;

Behold, I will bring again the shadow of the degrees, which is gone down in the sun dial of Ahaz, ten degrees backward. So the sun returned ten degrees, by which degrees it was gone down" (Isaiah 38:8).

Here are the 3 basic goals of the Rockefeller owned United Nations:

1. **Military defeat and occupation of Russia.**
2. **Return of Vatican sovereignty over the city of Rome and the [Papal States](#).**
3. **Setting up the [Spanish Inquisition](#) in the United States.**

The Battle of Armageddon

The Book of Joshua is a perfect type of the end of the world acted out in history. All the end of time scenario is found there: signs in sun and moon, armies gathered to fight the Lord, Jesus coming suddenly to destroy them etc., etc. etc.

That is why Satan HATES it so much and tries desperately to discredit it with the moving earth fable. St. Paul said:

"Now all these things happened unto them for examples: and they are written for our admonition, upon whom the ends of the world are come.(I Cor. 10:11).

According to the Bible, Satan is able to gather all the nations to battle against Jesus before his final doom. We call it the last great Inquisition directed by the last Jesuit general. Here is a description of Armageddon by the apostle John:

"And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet. For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty. Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame. And he gathered them together into a place called in the Hebrew tongue Armageddon." (Rev. 16:13-16).

St. John in Revelation saw a vast host gathered against the Lord at the end of time:

"And when the thousand years are expired, Satan shall be loosed out of his prison, And shall go out to deceive the nations which are in the four quarters of the earth, Gog, and Magog, to gather them together to battle: the number of whom is as the sand of the sea. And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them. And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever." (Rev. 20:7-10).

It is amazing how Satan is able to recruit such a vast army of followers since the true Bible has been available ever since the blessed Reformation.

Mankind is not evolving and getting better but worse and worse. The prophet Jeremiah summed up the condition of mankind about 500 years before Christ:

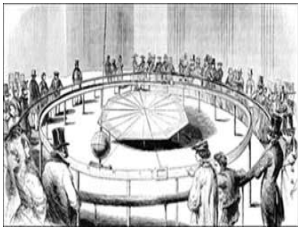

"The heart is deceitful above all things, and desperately wicked: who can know it?(Jeremiah 17:9).

St. Paul did not offer any hope that the old corrupt Adamic nature would get any better with time:

"But evil men and seducers shall wax worse and worse, deceiving, and being deceived."(2 Timothy 3:13).

Editor's Notes

It is a tragedy that after 50 years of the space age, there are still over 200 Foucault pendulums in colleges and museums around the world still swinging away and trying to deceive the people into believing that the earth moves. Here are just 3 of them:

Pantheon, Paris.

Smithsonian Museum, Washington City.

Franklin Institute, Philadelphia, PA.

St. Isaac's Cathedral in St. Petersburg, Russia, dumped their Foucault's Folly in 1991.

St. Isaac's Cathedral in St. Petersburg, Russia, got rid of their Foucault pendulum after the fall of the communist state in 1991.

The pendulum was installed by the communists after the October Revolution in 1917.
